

Translate Title Property > Titre

Prix value, add € >> 800 000 €

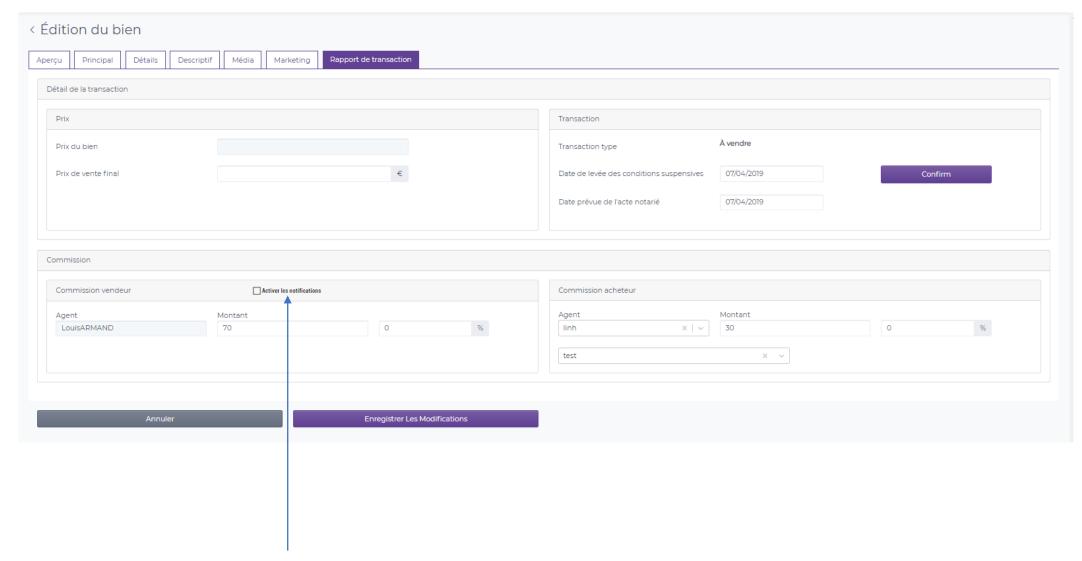

m² value, add m² >> 123 m²

Commercial: display publisher firstname-lastname + raison sociale

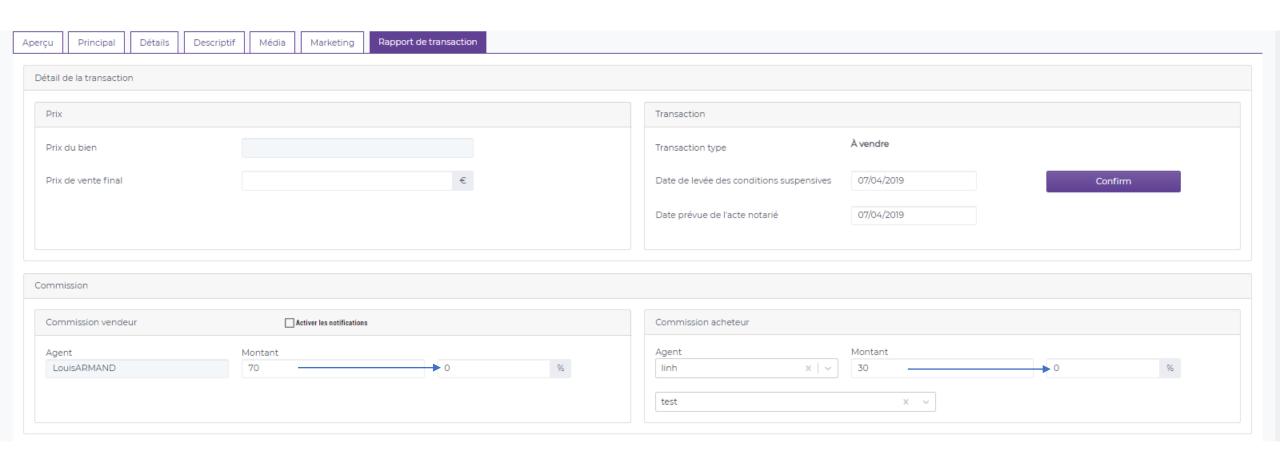

Not nice, please invert dimensions height/width Make the 3 fields same width

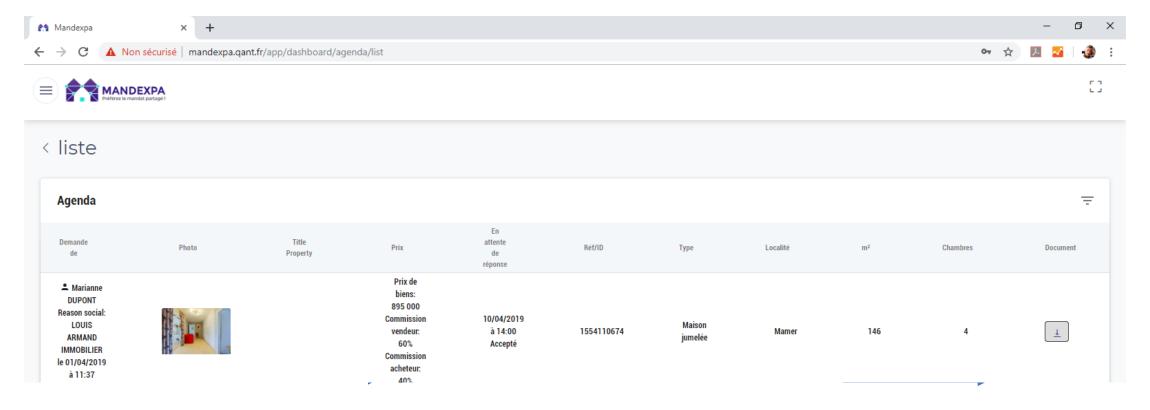

Replace text with Pas de vente en collaboration

(Cédric comment : take care, i saw this language key is same than 1 use in create property match. « Activer les notifications » is correct in Property Match, in here, not)

In field Montant, can input free amount Amount % should be display in field %

Text translate

Title Property > Titre
Reason social > Raison sociale

Text replace

Prix de biens >> Prix

Prix value add € >> 800 000 € m² value add m² >> 123 m²
